Organisational information

Physical attendance

- Conference Centre Albert Borschette (“CCAB”, 36 rue Froissart, 1040 Brussels), Room 4C; [travel information](#)
- For organisational and security reasons of access to the meeting centre, those stakeholders who registered for physical attendance of the meeting **will receive an email by the European Commission to provide further information to prepare their V-Pass**. Please take the time to fill in your personal information when you receive the V-Pass mail, because otherwise you have to do this at the reception on your arrival and it creates unnecessary waiting time for you and others.
- Please expect queues at the reception of the CCAB, especially as from 09:15 – we strongly encourage you to arrive by 09:00 at the latest to reduce your waiting time (depending on days and number of meetings taking place at the same time, it is unfortunately not rare that people have to queue up to the street to enter the building in “peak meeting hour” in the morning).
- Lunch break: Please note that there is unfortunately **no canteen / cafeteria in CCAB** anymore! So, for lunch you will need to go out and buy a sandwich or have a short lunch in the many places around CCAB.
- There will be no reimbursement of travelling costs.

Virtual attendance

- The link to the virtual meeting will be sent to all stakeholders registered to this meeting in advance.
- You are not required to have a WebEx account to join the meeting.
